## III. FOOD ENTRY PREPARATION RULES

- A. **ALL ENTRIES MUST BE BAKED OR COOKED.** All food entries must be made from scratch and no ready-mixed foods may be used. **NO CANNED OR BOXED MIXES OR CANNED PIE FILLING FOR THE MAIN INGREDIENT, NO CANNED OR BOXED ICINGS/FROSTINGS OR PURCHASED CRUSTS, ETC., NO CHEESECAKES.** All entries must be the work of one individual.
- B. It is illegal for minors to be in possession of alcohol; therefore, recipes which call for these kinds of ingredients are inappropriate.
- C. The Baked Food Show Committee has been advised by the County Extension Agent, Family & Consumer Sciences/Texas A&M AgriLife Extension, of requirements for food safety for products entered which require refrigeration or chilling within two hours after baking. The Committee has waived the requirement of not allowing dairy products (i.e., cream cheese and sour cream) in fillings or frostings, and undercooked eggs (i.e., in meringues). **Caution should be taken in choosing recipes with questionable food safety.** Caution labels will be affixed to items to be sold warning purchasers that "food entries may contain products which require refrigeration or chilling within two hours after baking".
- D. Entries should be displayed in purchased containers (available through the Baked Food Show Committee) or boxes that are appropriate in size for the entry. The boxes should be cut so that the front section is removed, and the sides and bottom remain in place. Boxes may be covered inside and out with aluminum foil for cleanliness and attractiveness. After the entry is placed inside, the box must be covered with plastic wrap taped underneath so as to keep the entry fresh

and clean. Entry must be visible from outside any container for the judges' viewing. If recipe states cake must remain in the pan, disposable foil pan is allowed.

- E. A sample from each entry, such as one cookie, roll, piece of cake, etc., must be cut or taken from the entry. Place the sample on a small white disposable plate and wrap it with plastic wrap or slip it into a plastic zip bag, and place on top of the container so judges can sample without disturbing the wrap of the container. The cut side of the entry must be placed to the front of the container for the judges' viewing. (See diagrams that are shown on the last page.)

**Do not cut pies.**

- F. Recipe:

1. The recipe must include a complete list of ingredients, mixing and baking instructions (including pie crust, frosting, glaze, etc.), size of pan used, temperature, cooking time, and how much the recipe makes.
2. The recipe must be typed or printed on a 5½ x 8½ inch sheet of paper (half sheet). If additional space is needed, attach additional pages (do not print on the back). *Entry may be subject to point deduction if the recipe is not submitted with entry.*
3. **Please submit 2 copies of the recipe: (i) tape one recipe to the outside back of the container, print side facing out; and (ii) turn in one copy at time of check-in.**
4. Exhibitor's name should not appear on the recipe or container.
5. Recipes may be published at a later date.
6. Grand Champion may not enter that recipe again.
