Individuals with disabilities who require and auxiliary aid, service or accommodation in order to participate in this event are encouraged to contact the Extension Office for assistance at 830-393-7357

**Heaps of Learning Going On! the Benefits of Play-Based Learning- Pamela Manning -2 Clock hrs**

With a complex, ever-evolving world, the intrinsic drive to play within, and the need to meet the academic challenges ahead, mastering the art of playing requires careful cultivation. Strategies teachers can use right away to create high-quality play-based early learning environments that prepare all children to thrive .

**Minimum Standards Compliance and Qualified Caregivers-Jamie Mote- Childcare Regulation- 1 Clock hour**

Overview of Minimum Standards and Qualified Caregivers.

**Behavioral Interventions- Lisa Guerrero- 1 clock hour-** Challenging behavior can disrupt your environment, and many times will create barriers to meaningful social interactions. The treatment of challenging behavior takes many forms; however, learning how to keep data and understanding what the data reveals will guide you to the most meaningful interventions.

**Active Living 101-Physical Activity for Children and Providers- Mike Lopez - Texas A&M AgriLife Extension Service -2 Clock hrs**

This session will review the benefits and current trends of physical activity. Be ready to learn and share best-practices that promote physical activity and active learning in our childcare spaces. We will leave the session inspired and with the tools, ideas, and motivation to promote physical activity with children and ourselves.
